

# FORMULA 503

# Spray & Shine

# TECHNICAL DATA SHEET

**DESCRIPTION:** Highly concentrated top quality liquid spray protectant for self service, tunnel, and in-bay automatic car washes. Available in cherry or fresh lemon scent your customers will enjoy.

### ADVANTAGES:

Clear Coat Safe.

Breaks water quickly — the rapid beading action ensures maximum water removal from vehicle surface.

Promotes spot free drying. Hand drying is kept to an absolute minimum.

Economical to use.

Leaves fresh cherry/lemon scent in bay for customer appeal.

Helps protect vehicle finishes from harmful sun rays, acid rain, and winter salts.

### DIRECTIONS:

For best results, dilute 75:1 to 90:1.

Dilutions may vary depending on type of equipment used. Increase or decrease concentration as desired.

**Do not allow this product to freeze. Freezing separation can occur at 32°F which is also 0°C.**

### CAUTION:

**KEEP OUT OF REACH OF CHILDREN**

### SPECIFICATIONS:

	Cherry	Lemon
